

ECZACIBAŞI BUILDING PRODUCTS OCCUPATIONAL HEALTH AND SAFETY POLICY

As a company that is aware of its responsibilities towards employees, society and stakeholders, our purpose is to provide a safe and healthy working environment to our employees.

As we strive to achieve this purpose, we are committed to;

- Assessing all risks and opportunities to ensure safety and health of our employees and planning, implementing, developing and continuously improving the necessary measures,
- Complying with all legal and other requirements regarding occupational health and safety,
- Ensuring continuous development that will meet the expectations of employees and clients based on the technologic and sectoral innovations beyond the requirements of the legislation,
- Implementing the practices that will eliminate dangers at source,
- Ensuring the participation and consultation of our employees,
- Providing trainings to enhance the occupational health and safety culture of our employees,
- Providing trainings for the protection of our employees from accidents, injuries, diseases and the correct and complete use of personal protective equipment,
- Ensuring continuity and development of our occupational health and safety management system,
- Contributing to the health and safety of society through our production technologies and products.
